Please help us and leave a positive rating in app stores for the app.

We would love to increase the number of product reviews in the app, this is where our distributor network can help out.

Please could you open the app and choose 5-10 products (more if you wish) of your choice and leave a product review.

We need a minimum of 3 per product before the app will display a reviews so your reviews are important.

We suggest reviewing the products below, but please feel free to choose your own;

OmniDEL  
OmniDEKA

OmniTRADE  
Olympus OmniMAX  
OmniGV  
Olympus  
Olympus Mini  
Olympus with Crane  
Speedline PPK  
Millenium  
eCollect  
Elite 6  
Hot Water Washer

Once we receive notification of your product reviews, we can review and publish them to the app.

The reviews only show your first name in full and an initial for your last name.
